

CWE Order Checklist

Please make sure your faxed order includes the following:

1. Store Name & Location
2. Designer Name
3. Purchase Order Number
4. Specify Edges to be finished with wood, laminate and raw. (See Glossary of Symbols)
5. Designate raw or finished on all cabinet run ends (See Glossary of Symbols)
6. Specify B/S Detail – *CWE orders ship w/CSE B/S unless ordered as CWE B/S*
7. Laminate Color with Finish
8. Complete Dimensions
9. Cabinet specifications for Angle End Base & Diagonal Sink Bases etc.
10. Mitre or Butt Joints (Specify assembled or loose)
 - a. The largest assembled butt joint is 168” long.
 - b. The largest assembled mitre joint is 72” long.
11. Laminate Seam Location
12. Specify Corner Details (Radii or Clips etc.)

Typical Delivery Expectations:

For most CWE orders you can expect a 2 to 4 week lead time. (*Depending upon time of year and laminate availability*)

Wood Edges will be shipped unfinished. Finish sanding, stain and sealer should be applied as soon as possible to prevent moisture damage. Staining wood edge radii may darken to a different shade than the rest of the wood edge.
